

Keck Medicine of USC Masking Guidelines

A mask mandate remains in effect in all Keck Medicine of USC facilities for all employees and visitors, including those who have been vaccinated.

When can I unmask?

Outdoors

Are you vaccinated?

- **Yes** - You are not required to wear a mask when alone or in small groups, but respect others around you.
- **No** - Please wear a mask.

Indoors

- Regardless of vaccination status, please continue to follow your location-specific masking requirements. These current masking protocols will remain in place until further notice.

Please be respectful of others' wishes when unmasking.

BEYOND EXCEPTIONAL MEDICINE™

As a reminder, all Keck Medicine COVID-19 safety protocols must be followed by all university faculty, staff and students while conducting business within a Keck Medicine facility.
